### 3 REVIEWS FOR DAMA CHECKERBOARD PORCELAIN TILES

These tiles are stunning and easily best price I've seen for 12x12 tiles with marbling. Would recommend ordering a sample as the colors are a little more muted in real life than in the photos which I personally liked more. The tiles arrived totally undamaged and timely. Would recommend these! We did white and bronze.

I don't ever leave reviews but this company deserves it! A company whom I won't name who sells the same tile kept pushing back our backorder date while we are building our house and had terrible customer services. Thankfully I found MMG online and we received our tile order within a week!! They truly saved the day. I was skeptical because there were no reviews on the website for this product, but we had an excellent experience from the wonderful and personable customer service, to communication during shipping/delivery, to the quality of the tile itself. None came cracked or damaged and the packaging was very well cushioned and sealed. These are beautiful! If you're considering ordering, just do it!!!
